The South Gippsland Citizens Advice Bureau & Tourist Information Centre is a volunteer-run facility serving the local community and visitors to our wonderful region

FREE! FREE! FREE!

A word that is often used but usually conditional. The free services at SGCAB are completely unconditional because the bureau is not affiliated with any business, government or religious organisation.

The bureau is staffed by impartial, trained volunteers with an interest in serving their community while developing social networks and skills in counselling, office management and information technology.

Here are just a few of the things you - or someone you know - can do for free at the CAB: Set up & use an Email Account, Apply for a Seniors Card, Scan & Email Documents, Report a Financial Scam, Download & Print a Form, Learn About Passwords & 'QR' Scans, and use our Public Access PC or use our Free WiFi to Download 'Phone Apps.

Some services such as Photocopying &/or Laminating incur a modest fee. And our staff are always on hand to either assist you immediately or refer you to the person most appropriate for your situation.
